\$600,000-\$630,000

The time is now! Start building your dream home today in the well-established and family-focused Sanctuary Lakes community on this prime parcel of land footsteps from the water. Even better, use the whole block and build tall to accentuate spectacular lakeside views (STCA).

This is a unique opportunity for those who move quickly. The measurements all stack up with a 480m² (approx.) allotment to custom-design and construct to suit your lifestyle with a depth of 32 metres (approx.) at your disposal.

Moments from shopping, transport and parkland, enjoy easy access to all the local lifestyle facilities including a gym, pool, cafe, golf club, and restaurants. Come home to paradise every day!
